COLLYNIE CLIPPER STAR 1554906

*Grand Champion International 1930*

A STUDY OF SHORTHORN CHARACTER

# Helfred Farms Show Record

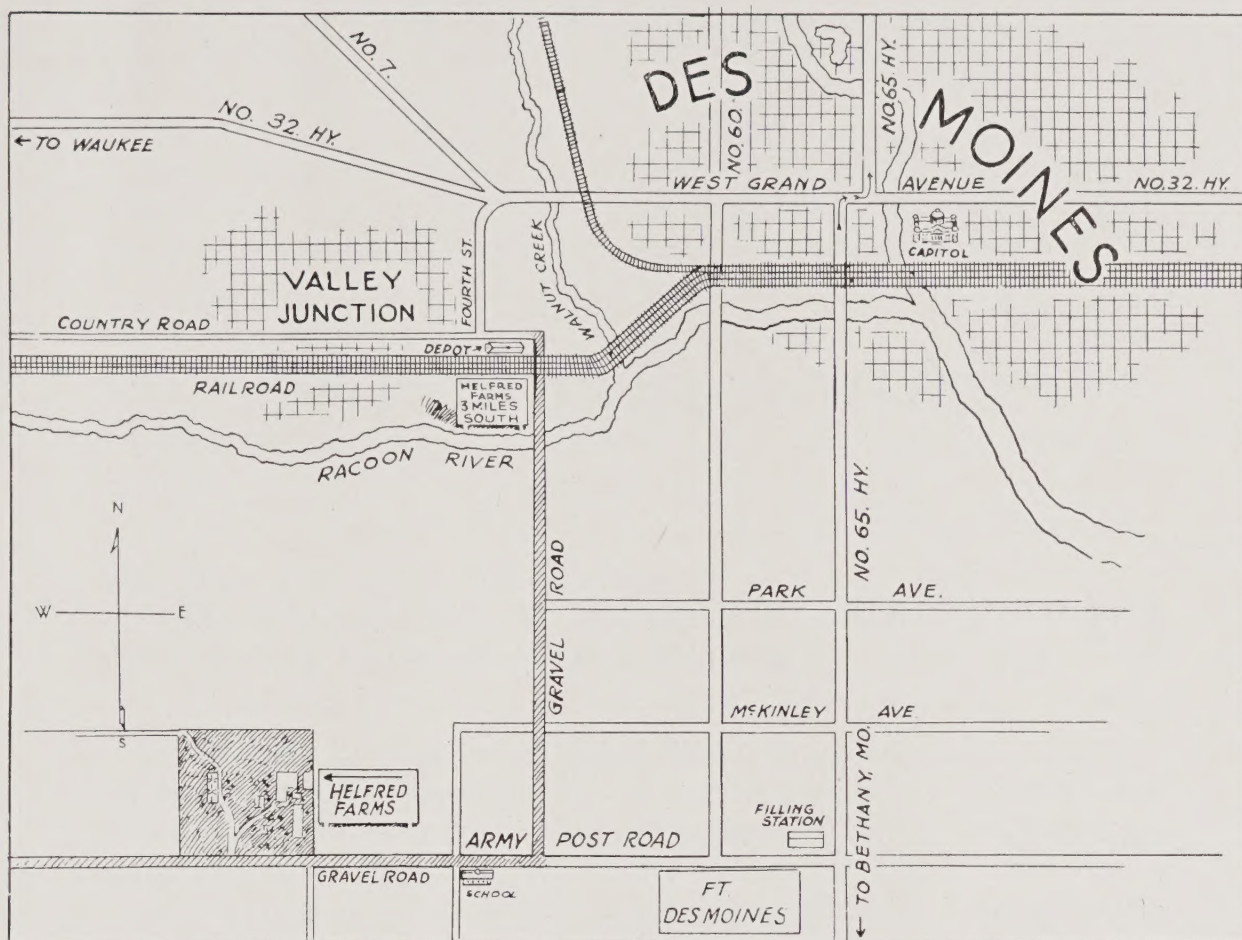

---

Since the fall of 1930 Helfred Farms show herd has been awarded over 600 prizes in competition at State and National Shows with the best show herds of this Country and Canada. Some of the prizes are listed below:

Championships .....	92
First Prizes.....	261
Second Prizes .....	179
Third Prizes .....	60
Fourth Prizes .....	37
Fifth Prizes .....	28
Sixth Prizes .....	19
Seventh Prizes .....	18

In addition to the above winnings this herd won five of the six Championships at the 1930 International Live Stock Show on cattle that are now in the breeding herd. To our knowledge that was the first time in the history of the show that one exhibitor won that number of Championships in one year. Which is unfailing evidence of the quality and uniformity in the Helfred Farms breeding herd.

## How to Get to HELFRD FARMS

The above map shows the location of Helfred Farms from Des Moines.

Parties coming in by motor from the south over Highway 65 can turn off on the Army Post Road just south of Des Moines and drive directly west to the farm. This is a good gravel road. Watch for the big sign indicating the location of the farm on No. 65. Coming in from the north, follow West Grand Avenue west on Route 90 to town of Commerce. There will also be signs there indicating the route to the farm. The same applies to parties coming in over Highways Nos. 32 or 7. We shall endeavor to have road signs so placed at these strategic points that strangers will have no trouble finding their way to the farm.

Come early and inspect the cattle before the sale begins. Lunch on the farm at 12:00 o'clock, served by the ladies of one of our community churches. Sale begins at one o'clock.

WATCH FOR THE ROAD SIGNS

# Announcement

---

ALL BREEDERS and others interested in Shorthorn cattle are cordially invited to attend this, our first Annual Production Sale, to be held at Helfred Farms, Saturday, October 21st, 1933.

We have had a most successful show season with cattle of our own breeding. With but one or two exceptions all of these winning cattle will be sold in this sale. The sale cattle that were not shown are closely related to those that were and will produce just as good offspring as those that were shown. Often a month or two difference of age was all that determined which were to be shown and which were to be left at the farm.

We believe, and well informed persons who have visited our farm confirm our opinion, that no better lot of cattle will be offered in America this year than those that we will sell on October 21st. You will have the opportunity to buy them at your own prices. All that are catalogued will be sold be the price high or low.

We expect a production sale at this farm to be an annual event and we are going to accept your valuation upon the cattle that we sell.

We look forward to the pleasure of having you with us on sale day and trust that that day will be a pleasurable and profitable one for you.

HELFRED FARMS,  
F. W. Hubbell, Owner.  
Chas. Garden, Manager.

# Helfred Farms Herd Bulls

---

It is conceded by all that the quickest way to improvement of a breed of cattle is through the herd bulls. Hence, in building this herd the best of bulls were secured.

Collynie Clipper Star, at the time of his purchase gave promise of becoming such a bull. He was sired by the most potent bull imported from Great Britain since Whitehall Sultan's time, Collynie Clipper Crest. His dam was a great cow by the famous sire Lavender Sultan, bred and used at Anoka. He came to Helfred Farm in 1929. In 1930 and 1931 he was America's outstanding show bull. Now he is America's outstanding sire. The "Get-of-Sire" by Collynie Clipper Star, shown this year, is the most impressive and most pleasing that has ever graced an American show ring. See picture in the center of this catalog.

Sni-A-Bar Golden Ring is a son of the noted Prentice and out of a matronly red cow by the Duthie bred, imported bull, Collynie Golden Ring, a dark roan that has been one of the Nation's leading sires. He was shown in 1931 when he won eight grand championships at leading state fairs and national exhibitions. His calves inherit his thick fleshing qualities and blocky form. They have been winners at state and district fairs this year. Last season, a calf by this bull was first at the International and junior champion at Denver. He is an improving sire, and mates particularly well with heifers by Collynie Clipper Star.

First of All is a grand type of bull. He made a fine record when shown, winning the grand championship at the Iowa State Fair and other shows in 1932. He has sired some cattle that rank well up with the production of the herd. Due to an injury his usefulness was suspended for a season but now he has recovered fully and is being used as liberally at the other herd bulls.

These three with some younger bulls that are being used from time to time give Helfred Farms as strong a battery of stock bulls as any breeding establishment extant.

WILL JOHNSON of the Shorthorn World.
